

LIFESTYLE PROGRAM DATA PROCESSING STATEMENT

In order to conduct the Lifestyle Program announced by BioTech USA Kft. (hereinafter referred to as the "Program"), BioTech USA Kft. will process your personal data provided in the questionnaire completed upon registration for the Program to the extent and for the duration necessary. You must give your voluntary and express consent to participating in the Program. Only persons of at least 18 years of age may participate in the Program. BioTech USA Kft. as the controller will only use your personal data as specified herein for the purposes of conducting the Program in order to compile a product package that best suits your needs and to send you a related offer via e-mail.

1. Data of the Controller

BioTech USA Kft. (registered office: H-1033 Budapest, Huszti út 60., branch office: H-1033 Budapest, Kiscsikós köz 11., company registration number: 01 09 352550, tax number: 25114681-2-44, telephone: 06 1 453 2716, email: adatvedelem@biotechusa.com)

Contact details of our Data Protection Officer: Postal address: H-1277 Budapest, Pf. 83; E-mail address: dpo.btu@dnui.hu

2. Scope of the processed data:

Mandatory data: name, e-mail address, gender, age, lifestyle-related answers.

In accordance with the principle of accuracy, the Controller will process the data you provide in the completed questionnaire (except your e-mail address and name) for 1 month after registration. You will then be asked to fill in the lifestyle questionnaire again. The repeated completion of the questionnaire will not affect your registration; it is simply to update your details in order to provide you with the products and other lifestyle information that best suit your needs.

When registering for the Program, please note that you are only allowed to enter your own personal data. The Controller assumes no liability for damages arising from the processing of inaccurate, or unlawfully or incorrectly provided data.

3. Purpose of processing:

The purpose of processing is to conduct the Lifestyle Program, to assess lifestyle-related habits to better meet participants' needs, and to inform participants more efficiently on how to purchase the products best meeting their needs. Based on the data obtained during registration, the Controller will provide an offer for a personalised product package.

The Controller will use the data thus obtained exclusively for the purpose of compiling a product package best suited to the needs of the participants.

4. Duration and procedure of processing:

If a participant does not purchase a package recommended under the Lifestyle Program, his/her data will be deleted after 1 month from registration. If a participant wishes to purchase the package offer, he/she must register on the [BioTechUSA Online Shopping–Nutritional Supplements Directly from the Manufacturer](#) website. In this case, once the purchase is finalised, the participant will also be subject to the data processing as set out in the website's privacy notice ([Privacy Notice – BioTechUSA](#)).

If the participant purchases the package offer, the data will be processed to ensure the continuity of the program until the consent is withdrawn or the online shop account is deleted, but no later than 3 years (inactivity period) from the last use or, in the absence of use, from the registration date. Upon expiry of the inactivity period, the Controller will erase the personal data obtained through registration without delay.

5. Data Processors:

6. Legal basis for processing:

The consent of the data subject pursuant to Article 6(1)(a) of the GDPR and, in the case of processing health data (e.g. questions concerning food intolerance), Article 9(2)(a) of the GDPR.

By entering the Lifestyle Program, you consent to the Controller's processing of your personal data as per this Notice. The processing of your personal data is based on your voluntary and explicit consent given in awareness of this information. You may withdraw consent at any time; however, this shall not affect the lawfulness of processing prior to such withdrawal.

7. Rights of data subjects in relation to the processing:

The Controller shall provide information without undue delay, and in any event **within one month** of receipt of the request, of the action taken in response to a request under paragraphs (a) to (d) below. That period **may be extended** by two further months where necessary, taking into account the complexity and number of the requests. The Controller shall provide information on any such extension within one month of receipt of the request, together with the reasons for the delay.

a) **Right of access:** You shall have the right to obtain feedback from the Controller on the processing of your personal data, to request information on the details of the processing, and to obtain from the Controller, in a portable format, your personal data processed in relation to the campaign.

b) **Right to rectification:** you shall have the right to obtain from the Controller without undue delay the rectification of inaccurate personal data concerning you, and to request your incomplete personal data to be supplemented.

c) **Right to erasure (“right to be forgotten”):** You may request, in writing sent to the Controller’s contact e-mail address indicated above, by fax or post, or by making a recorded communication to the telephone number provided, the termination of the processing of your personal data. In such case, the Controller will take all reasonable steps to inform all additional processors of your request to terminate processing.

d) **Right to restriction of processing:** you shall have the right to obtain from the Controller restriction of processing where you contest the accuracy of the personal data; the processing is unlawful; the Controller no longer needs the personal data for the purposes of the processing, but you require them for the establishment, exercise or defence of legal claims; or you have objected to processing.
